

# THE SELECT GROUP

## A TECHNICAL SERVICES FIRM

## Fast Facts

### Founded

by Sheldon Wolitski in 1999

### Corp. Headquarters

Raleigh, NC

### Employees

250+ internal employees  
1,100+ active consultants

### Clients

190+ active clients

We specialize in connecting great companies with quality talent, and creating meaningful experiences. Our teams across North America build relationships to improve your business flow. We do this through a best-in-class trained staff of recruiters and account managers.

## Our Offerings

### Workforce Solutions

#### Contract

We help you navigate fluctuating workforce needs, identify and place skilled candidates, or leverage a contingent workforce. Our consultants become an extension of your workforce.

#### Contract-to-Hire

Our consultants work among your staff, gaining key skills and delivering quality results. After a qualifying period of time, they come on board as a full-time employee for your company.

#### Direct Placement

We supplement hiring activities and attract the best talent for you. During surge hiring or a search for uniquely skilled positions, we are able to take over the entire recruitment, interview, and placement processes.

### Managed Services

#### Application Services

We take your company's application strategy from ideation to implementation by providing holistic solutions.

#### Infrastructure Services

Helping you create the right IT infrastructure environment to improve experience for your employees and customers.

#### Workforce Transformation

Optimizing your workforce availability, allowing you to deliver real business outcomes.

### Government Services

#### Proposal Support

Providing resume sourcing to identify key personnel (LOI/LOC) and other resources needed for the contract.

#### Direct Labor Support

We have a history of success in providing direct hire and contract-to-hire labor for any length of your project or labor needs.

#### Subcontracted Labor

Offering three areas of subcontracting labor: managed services, surge support, and long-term technical support.

#### Small Business Partnerships

With a list of go-to small business partners, we have a reputation for quick delivery of technical resources, including partnerships with all socio-economic statuses.

The secret sauce to our success is  
our team of talented individuals.

## Corporate Responsibility

*Giving back to the communities  
where we live and serve*

### The Gift of Giving

For the past 5 years, we have given each of our employees \$100 in December to make a difference in the lives of those in need.

### Military Focus

We support our veterans by providing exclusive access to top job openings across North America.

### PTO Reward for Volunteering

We encourage our employees to volunteer by rewarding them with up to 8 hours of paid time off for 8 hours of community service during each calendar year.
